# CONTRACT AGENT

SYNTHETIC DEMO DATA Model: anthropic/claude-sonnet-5-5

## Ask about a contract

Imagine one of these contracts comes up for renewal next month. Ask what you would want to know before deciding, in your own words.

10 invented contracts shaped like ours: order forms, master agreements, two renewals. Contract documents only: no usage data, invoices or emails.

YOUR QUESTION

do vendor 05 and vendor 10 have a non competitors clause ?

Ask Enter to ask, Shift+Enter for a new line

I searched the contracts and found no answer. Either they do not cover this topic, or the document that covers it is missing: if you think it is missing, ask the vendor for the last signed copy of the relevant terms.
